

## DIVERSITY & INCLUSION POLICY

24.07.2023

Coros is committed to fostering, cultivating and preserving a culture of diversity, equity and inclusion.

Our human capital is the most valuable asset we have. The collective sum of the individual differences, life experiences, knowledge, inventiveness, innovation, self-expression, unique capabilities and talent that our employees invest in their work represents a significant part of not only our culture, but our reputation and company's achievement.

We embrace and encourage our employees' differences in age, colour, abilities and disabilities, ethnicity, family or marital status, gender identity or expression, language, national origin, physical and mental ability, race, religion, sexual orientation, socio-economic status, veteran status, and other characteristics that make our employees unique.

Coros diversity initiatives are applicable -but not limited -to our practices and policies on recruitment and selection; compensation and benefits; professional development and training; promotions; transfers; social and recreational programs; layoffs; terminations; and the ongoing development of a work environment built on the premise of gender and diversity equity that encourages and enforces:

- > Respectful communication and cooperation between all employees.
- > Teamwork and employee participation, permitting the representation of all groups and employee perspectives.
- > Work/life balance through flexible work schedules to accommodate employees' varying needs.
- > Employer and employee contributions to the communities we serve to promote a greater understanding and respect for the diversity.

All employees of Coros have a responsibility to always treat others with dignity and respect. All employees are expected to exhibit conduct that reflects inclusion during work, at work functions on or off the work site, and at all other company-sponsored and participative events. All employees are also required to attend and complete annual diversity awareness trainings to enhance their knowledge to fulfill this responsibility.
